Setting up of State and District
Level Committee to deal with
forged notes and circulation
thereof ---

GOVERNMENT OF MAHARASHTRA

Home Department
Government Resolution No. CII-0108/CR-15/Pol-12
Mantralaya, Mumbai 400 032.
Dated 7th August, 2008

RESOLUTION

During the deliberations in the meeting of the Chief Ministers on Internal Security held at New Delhi on 20.12.2007, it was interalia brought out that, the incidence of detection of forged notes in various parts of the country has been showing an increasing trend. There is an increase of about 1.87% accumulated balance of detected forged notes as on 30th June, 2007. Deliberations and consultation with various agencies concerned, including the R.B.I. have brought out that, there is also a need to examine the present procedure of lodging FIRs in such cases, as to avoid any possible harassment to unwary tenderers and the concerned bank tellers reporting the detection.

The objective is that the reporting system should be mainly aimed at, and used to, trace the locations from where such notes are put into circulation. Seen in this light, rationalization of the procedure for reporting and lodging of FIRs on detection of counterfeit currency should be aimed not only to ensure that it could lead to developing a comprehensive data base, but also meaningful action to get to the sources of proliferation. Accordingly, on the above background as suggested by the Government of India, the Government of Maharashtra

is pleased to constitute the State Level as well as District level committees to deal with forged notes and circulation thereof as follows
